The M. Worshipful Grand Master then delivered his ANNUAL ADDRESS, which was received and ordered to be entered on the Minutes.

ANNUAL ADDRESS OF THE M. W. G. MASTER.

We assemble to-day, my brethren, while the trumpet blast and the rattling beat of the drum echoes from our sea shore to the mountain tops, summoning well nigh our whole population to appear in arms to maintain the Independence which many a well fought field attests that we have won. For a brief season, robed in the peaceful clothing of Free Masonry, we pause amid the notes of war, to gather around our peaceful altar and provide that the Temple Fabric confided to our care shall in no wise be endangered. This our incumbent duty discharged, we shall deposit our working tools upon our carpet, overturn the Senior Warden's column upon its pedestal, and go forth strong in our innocence of wrong, to "follow our leaders and fear no danger."

The necessities of the war, which has raged around our country since we last gathered ourselves together, has drawn from the peaceful pursuits of the order a vast number of our worthiest and most zealous brethren. And as I look around upon this thinned assembly, I miss from its wonted station many a familiar face. Some have been overpowered by disease. Some have been carried into captivity, and many have fallen upon the crimsoned fields, where with unfaltering hearts and stalwart arms they have aided to inscribe upon their Country's Record, in letters of living fire, the everlasting legend, "RESISTANCE TO TYRANTS IS OBEDIENCE TO GOD."

More than two-thirds of our Lodges have sent forth from their tiled recesses their Officers and the greater portion of their fellowship to maintain the independence of their country, the sanctity of their homes, and the liberty of themselves and children; it has happened therefore that the usual activity of Masonic inquiry has been checked, and I have been called upon but seldom for the discharge of the duties pertaining to the office of Grand Master.

I have issued two Dispensations for Military Lodges in the Army of the Confederate States—and one or two Dispensations for the election of officers where the circumstances of the case seemed to render such action prudent and necessary.

Within the last two months our R. W. Brother, P. T. Schley, for a period of seven years the presiding officer of this body and

the Grand Master of Masons in Georgia, was called from his labors on earth. His loss the fraternity throughout the State has ample cause to mourn. For seven years he held the gavel of Grand Master, commencing at a period when a gloomy apathy prevailed throughout our jurisdiction, when but a bare constitutional quorum of Lodges assembled together to answer to its sound; he resigned it to his successor when a numerous constituency was represented at the annual communication. Indeed, under his administration the present prosperity of the Order in the State received its first onward impulse. Upon receiving the melancholy intelligence of his decease, I convened an Emergent meeting of the Grand Lodge, and accompanying his remains to their last earthly resting place, committed them to the dust with the solemn ceremonies of the Order.

I recommend to you that suitable notice be taken of our loss, and recorded with the proceedings of this body:

In my address at your last Communication, while considering the reasons for the position of the Candidate in the South, I intimated that the subject was capable of deeper investigation; contenting myself however at that time with barely indicating the direction of the path to future inquiry. The question has been presented to me, if the analogies there indicated, though plausible, were not merely conjectural, how does it happen that they commence at that particular point of the Ritual? If the hypothesis be true, there ought to be some antecedent indications of an apparent connection with the same Symbolism to render the argument admissible. The inquiry is legitimate and the implied conclusion is also admitted to impend, if that antecedent connection does not exist the subsequent analogy is in great peril of failure. I reply it does exist; and an attentive consideration triumphantly establishes the fact that the pure ceremonial of the Order stripped of the traditional corruption which in part overlays it, is one consistent whole, based deeply in the foundation of human wisdom, and not the shallow and disjointed fabrications of a whimsical and capricious invention.

"It is a striking fact," and one which we do not sufficiently realize in Masonic instruction, "that Symbolism is the peculiar characteristic of primal language. Whether we shall ever be able to solve the profound problem of that language's origin by deducing its successive stages of development from symbol to sound, or whether we ascribe to divine inspiration alone the revelation of this wonderful faculty to a finite intellect, still as we trace the vocalization of thought back towards its early origin we find it continually displaying a symbolism more and more engrossing as we attain a deeper and more remote antiquity."*

Whether the Sacred Mysteries at their original institution conveyed any thing more than physical instruction, or whether

* Masonic Quarterly, 2d vol. p. 197.

they were organized with a view to the moral training of the initiates are problems for whose solution but few data have survived in the lapse of time. The cosmogonic philosophy of an exceedingly remote period, as well as the abstruser notion of the regeneration of man being so closely interwoven together, probably at their early inception, that neither can well be separated from the other without in some degree impairing the integrity of both. The creation, destruction, and reproduction of matter was in earlier ages a dogma as firmly fixed in its theological development, as the first two are at this day in the religious creed of Christendom. The ancient philosophers and priests conceived this unending succession to occur in accordance with a fixed law, requiring a periodical purification as an indispensable condition of reproduction: and we retain to this day, as I shall hereafter show, in our Ritual the symbols of fire and water as indispensable pre-requisites to the attainment of the Master's degree.

The creation of the world and the creation of man were looked upon as parallel exercises of divine power, and both the world and man being considered equally liable to degeneration, they stood alike in need of a periodical purification. Accordingly the Symbolism which taught the scientific arcana explanatory of the one becomes of necessity equally available to present the religious mysticism of the other: the beginning of the world and the origin of man were alike referred to a chaotic darkness. The Earth emerged from the abyss of darkness to light, and regenerate man was supposed to acquire at his new birth a divine illumination to which in his rude and uncultivated state he was an utter stranger. Here began the drama of Initiation, and to this day the candidate for the benefits of Freemasonry encounters his first Masonic Symbol before his foot has crossed the threshold of the Lodge. His Masonic career commences in darkness. Pursuing this fact in the Hieroglyphic language of ancient Egypt, it curiously unveils the striking symbolism which is here made to surround the candidate, and rationally accounts for much of the ceremony which otherwise seems to be superfluous, if not painfully unmeaning.

The Egyptians used a symbol representing a strip of the heavens from which a single star was suspended by a cord to express *Night and Darkness*. The Coptic term for 'darkness' is **** *Sore*. The Hebrew furnishes us with a similar vocable, *SRE*, signifying '*defection from Jehovah*,' '*apostasy*,' that is, moral darkness, in the words of St. Matthew, '*outer darkness*.' With a stronger sibilant, *Tzvr*, it signifies '*to beset*,' '*assail*,' and hence an '*assailant*,' an '*enemy*,' and tropically '*distress*' and '*affliction*': with a sharper vowel sound in the plural *Tzririm* it means the pains of *child birth*. The Egyptian symbol was vocalized it is presumed from the Coptic pronunciation, as nearly as our letters can represent it—'*ASHRE*'—and which the Hebrew probably rendered '*Asur*,' meaning '*blackness*' and coinciding with the Coptic term for

'Night.' The Hebrew derivative 'SHRA' signifies *to lodge, to put up for the night*. The Egyptian character for *sh* besides its sibilant sound sometimes wore the sound of *kh*; just as in our language C is occasionally sibilant and sometimes hard—as in the words *City* and *Cat*. Hence one of the Hebrew derivatives from this radical KRA signifies '*to be pained, grieved*'. It also furnishes an obsolete word to be found in use before the time of the Captivity KUR, whose signification, if it be a verb, is connected with a curious prophecy concerning the Saviour. It occurs in the 17th verse of the 22d Psalm, the initial verse of which it will be recollected was quoted by Jesus when dying on the cross. It is rendered by some ***** KARU IDI VRGLI, "*they have pierced my hands and feet*"; by others, who read KARI, it is translated "*as a lion they threaten my hands and feet*." It may be remarked now, once for all, that there are many instances in which the obscurity of a scriptural passage is at once dispelled when illumined by masonic light. In this case it is not a little singular that the radical idea which our ritual has presented of the symbol, at once furnishes a simple and easy rendering, and one in consistent harmony with the context. It now reads in our version

"For dogs have compassed me, the assembly of the wicked have enclosed me, they pierced my hands and feet."

The term rendered '*dogs*' literally means '*clubbers*,' the name *dog* is but the tropical meaning of the word—from the bark of the animal resembling *pulsations* on the air. The word rendered '*evil doers*' does not bear that sense in the lexicon—and the verb translated '*endorse*' means '*to draw in*'—*to contract*—*to congeal*—hence to draw in the feet after the oriental manner of sitting. Now giving to the word translated '*pierced*' the meaning which our symbol will be found to indicate, to go round, hence '*to bind around*,' which is perfectly consistent with the idea '*to dig*,' which is accomplished, as in case of a pit, by '*going around*,' we shall be in a condition to ascertain the intention of the poet by whom the psalm was composed, "A multitude with clubs (i. e. of clubbers) surround me; friends sit still, (i. e. with their feet drawn in—do not assist) and they bind me hand and foot." This radical has also been looked upon as having no remote connection with the name of KORESH which we write *Cyrus*; and has been conjectured to be of Persian origin and to signify THE SUN. The meaning of the Hebrew word KRN is '*horn*'—the pronunciation in both languages being nearly similar, and this word in the dual number signifies '*rays of light*.' With two horns, as symbols of the divine light, the ancient painters decorated the head of Moses.

These divine significations of words of so close etymological affinities forcibly reminds us of the phrase of the Evangelist

* The asterisks above should be Hebrew characters—we have none.—Pz

"light shining in darkness." Physically, if light shine in darkness the darkness is no longer there: yet this symbol would seem to fulfil the condition embraced in the idea, "the light shineth in darkness and the darkness comprehendeth it not."

These opposite and variant significations of terms all referable to the same radical sound, if not derivations from the same root, forcibly illustrate the symbolic character of the language in which they exist. No great stretch of fancy is necessary to understand how vividly they portray the condition of the candidate as our Ritual requires him to be considered. Unregenerate, enclosed in darkness, he is beset by obstacles and environed by obstructions—a new birth awaits him, and the meaning of the symbol receives its illustration as he enters the door of the Lodge.

I pass by for the present the consideration of one of our symbols, 'the Slipper', which accompanies him in his journey, and whose symbolic affinities strongly corroborate the conclusion above presented. Time will not permit its introduction now—and I proceed to connect the first step in the journey of the candidate, with his last:—his advent over the threshold of the Lodge with the closing scene of the drama at the West Gate of the Temple.

The ideas of Light and Darkness, though in our language the very antipodes of antagonism, appear in the Symbolic tongues of antiquity closely interwoven together, and the traces of this intimate connection are still apparent in the Symbolism of the Order. In affinity with these however there is yet another '*silence*' which though singularly corrupted and finally disused, is not yet beyond the resuscitating hand of investigation.

The Greeks and Romans by a curious blunder personified *Silence* as a God, and represented him as a young man with his finger on his lip. The same sign denotes silence to this day, and is equivalent to the command 'hush.' Incidentally it may be observed here, that the ordinary Hebrew term for darkness is *** *HOSHEK*, a derivative, from *HSHE*, to be quiet, to be still *Anglice*, to *hush*. At some future period, time may permit an extended consideration of the connection of this word with the sandal which accompanies, (like the plumb in the further progress of the ceremony) the candidate in the journey he has commenced. I pass on now to show the connection of the two with our Ritual; and by what simple means this recondite Symbolism has been preserved. Among the Greeks and Romans the God of Silence was denominated *HARPOCRATES*. This name has been satisfactorily pursued to its origin and ascertained to be beyond all doubt Egyptian. The termination *ES* being the usual softening to adapt it to Roman and Grecian ideas of harmony of speech. Jablonski, by whom the path of critical investigation into the meaning of this term was first marked out, supposes it to be an adaptation to the Grecian language of *HAR—POI—KRAT*—a name of *HORUS*, son of *Isis*, and signifying *Horus the feeble footed*. This deriva-

tion is supposed to be fortified by the tradition which Plutarch has preserved, that he was weakly in his lower limbs. Innumerable images occur among the Egyptians of a dwarfish figure with a large body and very small and deformed limbs. This figure represented also Phthah, but whether this appropriation of the name antedated or was posterior to the mythological affinities of Horus, cannot be positively determined. Phthah was the Greek *Hephæstos*, the Latin *Vulcan*—and though we may not assume the period in which the attributes of Phthah and Horus became confounded, their consolidation admits no dispute. One of their Pharaoh's bore a name having a close symbolic signification with this mythic mystery; Pharaoh Necho, as he is styled in the Scriptures, the name Necho signifying *splendid, victory*, cognate with the Hebrew NEGA, rendered into our tongue "*the morning dawn*," thence to illuminate, and with a softer consonant NEKA, signifying '*lame in the feet*.' Is it to be considered an accidental circumstance that the technical mode of approach by the candidate to the commencement of his Masonic instruction should so closely present the Symbolism shrouded for so long a period in the rude analogies that illustrate the ante room of the Lodge.

Bunsen and Lepsius, however, assign another derivation to the Greek Harpocrates, but it in no way militates against, but rather affirms the affinities above indicated. It is as follows:

The first Egyptian representations of Horus and Harpocrates are under the form of *Horus the child*. In that language HOR—PA—KRUTI, the ordinary hieroglyphic sign of child with the article (PA) out of which grew '*Harpocrates*'—the shape into which the Greeks metamorphosed the Symbol they did not understand.*

The Hebrew strongly indicates in the significations of the words above quoted a curious process in the formation of language. The slightly variant vocalization being productive of such widely different meanings establishes the economic use of the Symbol.

The investigation of the philological affinities strengthened, perhaps, by the practical illustration in our Ritual, suggest, however, another derivation for the name Harpocrates. It is conceded at this day that the great drama of Initiation bore so strong a tendency to assume a religious cast, that it developed itself to a great degree in the liturgical formulas of many nations who were so remotely removed from its origin as to have lost its traditional Symbolism. Undoubtedly, if the legend of the third degree teaches, as we insist it does, the doctrine of the resurrection, its brilliant conclusion can only rest on some antecedent premise that has been overlaid, not lost, in the lapse of time. Confessedly the instruction commences abruptly—but attach the first degree and the wide hiatus disappears. The connection is at once supplied.

* 1 Bunsen Eg, 434.

The signification of the Egyptian phrase to which I would refer the name of Harpocrates points to this connection—and is in striking harmony with some portions of the ceremony, which appear, as at present understood, somewhat disjointed and desultory. The candidate is about to enter upon a path that may terminate in conferring upon him the character of a *Freemason*, a son of LIGHT. So far as an earthly model can serve them to invest him with the attributes of his great antetype, to bestow upon man, in short, the image of God. Darkness, an utter void, is the commencement of his journey, from whence by solemn and appropriate stages he reaches a state of illumination. He practically learns the great lesson that Light sprung from Darkness: he realises the sublimity of the command, "Let there be light" when Darkness brooded over the face of the deep. Harpocrates then may symbolize this important lesson, the God of Light may fairly claim the title HOR—POI—KRAT, HORTS not the '*feeble footed*,' nor '*the child*,' but BORN OF NIGHT.

The Symbols of Light and Darkness almost in the minutiae of their signification are presented in singularly close juxtaposition in the Ritual of Freemasonry—and certainly if accident has produced this close and unexpected proximity, it argues more system than has hitherto been ascribed to the effect of chance.

I have said that our Ritual retains the Symbolism which the ancient mysteries presented, in their indispensable baptism by fire and water, before the candidate was permitted access to the sacred arcana.

The circumstance related of Jephthah in the twelfth chapter of Judges and our application of the 6th verse of that chapter is familiar to all; it requires therefore no elaboration to show that the symbolic stream of water which actually dashed his rushing torrent across the path of the ancient neophyte, still maintains its ritualistic importance in our mystic rites. I pass on therefore to the consideration of the other conjunct symbol.

The name of TUBAL CAIN will be at once recognized by the English reader of the Scriptures as the earliest instructor "of every artificer in brass and iron." But it is not so generally known that it is a conceded fact among the learned that he is somehow confused with the original of the *God of Fire*, known among the Greeks and Romans as VULCAN. Several hypotheses have been advanced to explain this admitted connection, none of which, though all are plausible, are entirely satisfactory. One of the most circuitous will be found set forth by Adam Clarke in his note on the 22d verse of the 3d chapter of Genesis. Mr. Gliddon supposes the name should read Tu-Balkain—and when we reflect that the middle letter of the first syllable *Bel* is our translation of the Hebrew 'ayin' whose ancient pronunciation is unknown to us, the corruption into Vulcan is apparently simple. This letter is the initial letter in the names we read 'Uzza,' 'Uzziah,' and 'Uzziel.' Conceding that *Tu* is a dialectical variation

of the Phœnician article, *Bal* is evidently *Baal* as we write it, meaning *God*, and *Kain* literally signifies *Smith*, a worker in metals—and it could be easily rendered in our tongue in accordance with the ideas of the ancients, both classic and Egyptian, *The Smith God*.

The philological inquiry which these two symbols readily suggest, though essentially attractive, must be laid aside for the present, with a reference to a very curious affiliation. The Egyptian God *PTHHA* is admitted to be identical with *Vulcan* of the Romans and *Hephaistos* of the Greeks; and to *Phtha* is attributed creative energy—that is, he is looked upon as the Creator; the argument just presented indicates with sufficient precision his affinities with *Horus*. Now it is not a little remarkable that this very phase of belief is extant at this day. *Horus*, it must be remembered, is the second person of the Egyptian Trinity, occupying precisely the same place in that idea, as *Jesus* does in the Christian Trinity—and invested with the same attributes. The Evangelist has expressed the pagan idea more fully: “In him was life, and the life was the light of men.”

Now it has been urged upon textual premises, apparently, that the Messiah is also to be considered the Creator. The parallel when divested of its mythological veil is singularly complete. The first three verses of the 1st chapter of the Gospel according to *John*, indicates the fact too plainly to be mistaken. It is somewhat remarkable, that while the sublime religious truths which the great legend of the third Degree theoretically teaches has been of late universally accepted, that the singular and consistent parallel, even amid the perilous corruptions that have attended its descent to our day, has not been earlier recognized.

The duty required of me by the Constitution at the opening of each Communication is now discharged, and I have but a few words to add to this address. It has been prepared amid many interruptions even in the few moments that could be snatched from other duties. It does not therefore possess that logical sequence and precision which befits discussions like these. The path to a further inquiry on these subjects, so important to a just understanding of our ritual, which I now leave, perhaps, forever, is but barely indicated for abler minds and more unbroken leisure to pursue. The mine of investigation is far from being exhausted, its further exploration cannot fail to reveal many and more important discoveries. To such as desire deeper insight into our wonderful mysteries, I bequeath this inviting theme, commending them and their future to the direction of Him “who setteth an end to darkness and seeth the gem even in the deep gloom of the remotest recesses of the earth.”

On motion of Bro. BUTLER,

Resolved, That a committee, of whom Bro. BARRY shall be chairman, be appointed to whom that portion of the Address of

the M. W. Grand Master in relation to the death of P. Grand Master P. T. SCHLEY shall be referred.

The Committee appointed are

Bros. Barry, Butler, and Wm. Cox.

Bro. LOVE, R. W. D. G. M. of the 1st Dist. made his Annual Report, which was received and ordered to be entered on the minutes.

REPORT

OF THE R. W. D. G. M. OF THE FIRST DISTRICT.

To the Most Worshipful GRAND MASTER

of the Grand Lodge of the State of Georgia:

SIR—From the services rendered by our worthy and very zealous Grand Lecturer, and the present condition of our common country, but little has been required of me officially during the past Masonic year.

A few questions of Masonic jurisprudence have been presented, but they have been too oft repeated here, to consume with them the time of this body in their repetition. These, with a few Dispensations issued in accordance with the recommendation made last year, to continue Lodges by election where their officers have entered the army, constitute all my official acts.

I am happy to report that the Craft in the 1st District are in harmony, and from the returns made to this Communication show a zeal worthy of themselves. Of the fifty Lodges in the District, about forty have made returns and paid their dues.

Though many of the Lodges have been nearly extinct from the absence of their members in the army, the remaining few have shown their faith by their works in their so generally responding to the call of this Grand Lodge. Thus, while they have been called upon to use the *sword*, they show they have not forgotten the *trowel*.

It is hoped we may be able again soon, to greet them once more around our sacred altars, where they may enjoy the fruits of their valor and labors as *free men* and *free masons*.

All of which is fraternally submitted.

WM. ABRAM LOVE.

R. W. Dep'y Grand Master J. HARRIS, of the 2d Masonic Dist., made his report, which was received and ordered to be entered on the minutes.

REPORT

OF THE R. W. D. G. M. OF THE SECOND DISTRICT.

To the Most Worshipful GRAND MASTER

of the State of Georgia:

MOST WORSHIPFUL SIR—In discharging the duties of Deputy Grand Master for the 2d Masonic District, I have but few official acts to be reported. Nothing coming to my knowledge, has occurred in the 2d District during the past Masonic year, calculated to interrupt the peace and harmony of the fraternity. The few brethren who remain at home enjoy at least peaceful fraternal intercourse, though not prosperity.

On the 16th day of December, at the petition of the Brethren of Zabud Lodge No. 175, I granted a Dispensation to the Brethren of said Lodge, to hold an election for officers, the principal officers of the Lodge being absent in the army; and by the return furnished me, the officers were duly elected on the 3d of January, and duly installed.

A vacancy of Grand Lodge Scholarship having occurred in the Southern Masonic Female College, by the graduation of Miss E. T. HILL, I filled the vacancy by the appointment of Miss FANNY TENANT, of Butts county. Miss Tenant is an orphan daughter of a Master Mason, and was very favorably recommended by the Brethren of St. John's Lodge, and after a thorough investigation, I selected her from a number of worthy applicants. I am satisfied she is in every respect worthy of the appointment. Miss Tenant has only been one session in the College—the exercises of the Institution having been suspended this session, the President having resigned and joined the army. The Trustees, as yet, have been disappointed in procuring the services of a competent person to take charge of the Institution, but they expect (as I am informed) to be able soon to organize a competent Board of Instruction, when the exercises of the Institution will again be resumed.

Fraternally and respectfully,

JOHN HARRIS,

D. G. M. 2d Dist.

R. W. Dep. Grand Master D. E. BUTLER, of the 4th Dist., presented his Annual Report, which was ordered to be entered on the minutes.

REPORT

OF THE R. W. D. G. M. OF THE FOURTH DISTRICT.

To the Most Worshipful GRAND MASTER

of the State of Georgia:

MOST WORSHIPFUL SIR—I have the honor to report that sundry Lodges have applied for warrants of authority to elect officers, since the period for the last elections; all of which I have granted.

In consequence of so many Brethren having gone into the army, many Lodges have been compelled almost to suspend.—The result is, that very great irregularity must occur in their returns. While this is true, and there *seems to be confusion* among the Craft,—no apprehensions need be entertained. When peace again crowns the land, the fraternity will enter with concord and zeal upon the duties of benevolence.

Fraternally and respectfully,

D. E. BUTLER,

D. G. M. 4th Dist.

The Report of the Committee on Foreign Correspondence was presented, and its consideration was indefinitely postponed.

The following resolution, reported by the Committee on Foreign Correspondence, was adopted:

Resolved, That the R. W. G. Treasurer pay to the Treasurer of LOUISIANA RELIEF LODGE No. 1, the sum of sixty dollars, as a return for the relief afforded by that Lodge to destitute Masons of this jurisdiction.

BRO. L. BRUNER, from the Committee appointed at the last Communication of the Grand Lodge to report the amount of property held by St. Patrick's Lodge No. 32, submitted the following report, which was agreed to:

The Committee of two Past Masters, appointed at the last Communication of the Grand Lodge, to inquire into and report at this Communication the amount of property held by St. Patrick's Lodge No. 32, at Danville, Sumter county, now dormant, beg leave to report, that from information they have received

from Bro. Robert T. Hames, a Past Master of said Lodge—the	
Lodge owned one quarter of an acre of land in Danville, worth	
about	\$10.00
Lodge Hall, (cost of building \$325) now worth	200.00
Personal Jewels cost \$35.00, Master's Carpet cost \$30.00,	
now worth	45.00

Making the present estimate at - - - - \$255.00

Respectfully submitted,

L. BRUNER, P. M.

J. S. HAMES, P. M.

Grand Lecturer Bro. BARRY offered the following resolutions, which were adopted :

The Grand Lodge of Georgia having heard with profound regret of the death of W. G. Steward Bro. DAN'L S. HARRISON, an upright man and Mason, in whom were blended all the virtues that adorn the human character : and being desirous of evincing their high appreciation of his worth, and of paying a merited tribute of respect to his memory, do

Resolve, 1st. That in the death of DANIEL S. HARRISON the community in which he lived has been deprived of one of its most valued and honored members, the domestic circle has been robbed of its brightest ornament, and the Masonic Fraternity has lost a Brother who never faltered in the discharge of duty, nor hesitated in promoting the interests and prosperity of the Order.

2d. *Resolved*, That a page of the Minutes of the Grand Lodge be devoted to the record of his name and memory, and that a copy of these resolutions be furnished to the family of Bro. Harrison, and also to Travellers Rest Lodge No. 65, of which he was for many years W. Master.

Bro. BUKER, from the Committee appointed at the last Communication of the Grand Lodge, to whom was referred the petition of Clinton Lodge No. 54, praying the restoration of William T. Parker to the privileges of Masonry, made the following report, which was agreed to :

SAVANNAH, 28th October, 1862.

To the Grand Lodge of Georgia :

Your Committee, to whom was referred the petition of Clinton Lodge No. 54, praying the restoration to all the rights

and privileges of Masonry of William F. Parker, an expelled member of said Lodge, have had the same under consideration for the past Masonic year, and from the uniform good conduct, and strict attention to business of said Parker, your Committee are satisfied that he has heartily repented of his former sins, and we would recommend that he be taken within our protecting Fold and say to him, "Brother, sin no more." Mr. Parker has been employed by Government in an office of much responsibility and trust, and has produced testimonials from his superior officers of faithful and honorable discharge of his duties. Your Committee are fully satisfied that he is now endeavoring to gain an honest livelihood for himself and family; and as it is one of the first principles of Masonry to stretch forth their hand and help a fallen brother, your Committee cheerfully recommend to this Grand Lodge the restoration to all the rights and privileges of Masonry of Wm. F. Parker.

Respectfully submitted by

E. W. BUKER,
GEO. W. ADAMS,

Committee.

The Grand Lodge was then called from labor to refreshment, and the business of the Grand Communication adjourned until 7 o'clock, P. M

WEDNESDAY EVENING, 7 o'clock.

The Grand Communication met according to adjournment, and the Grand Lodge was called from refreshment to labor by the Most Worshipful Grand Master.

On motion of Grand Lecturer Bro BARRY,

Resolved, That from and after the present Communication of the Grand Lodge, the Subordinate Lodges shall be excused from the payment of dues to the Grand Lodge, for all members who may be in the service of the Confederate States.

Bro. W. A. GRAHAM, from the Committee on By-Laws and Charters, made the following report, which was agreed to:

To the Most Worshipful Grand Lodge of Georgia :

The Committee on By-Laws and Charters beg leave to make the following report :

They have examined the amended By-Laws of the following Lodges, and have designated such alterations and amendments as they deem proper to be made :

Campbellton Lodge.....No. 76,

P. T. Schley Lodge.....No. 229.

In this connection they would respectfully urge the Subordinate Lodges to adopt the uniform Code of By-Laws prepared and adopted by this Grand Lodge, and thus save a large and needless expenditure of time and labor.

They have also examined the By-Laws and Minutes of Orient Lodge No. 244, working under a Dispensation, issued April 24, 1861. They find many irregularities in its Minutes—to which they have called the attention of the Worshipful Master, and given the necessary instruction for their correction.

They have also found—that, notwithstanding the said Dispensation—by its own limitation—expired on the first day of the last annual Communication of this Grand Lodge, yet, during the present year, it has been exercising all the functions of a Lodge under Dispensation. But in consideration of the fact that there is no Lodge in the county, nor in the vicinity of the location contemplated for this Lodge, and the further extenuating circumstance that the Worshipful Master was not aware that any Communication of this Grand Lodge was held last year, and that its work was done in good faith—believing, as no Grand Lodge had convened, its Dispensation was still valid and in force—we recommend that this Grand Lodge legalize the action of said Lodge, and that a Charter be granted it.

Respectfully submitted,

WM. A. GRAHAM, Chairman.

Bro. A. YOUNG, of Committee on Returns No. 2, being detained by indisposition, was excused from service on said committee.

Bro. R. H. TATUM, from Trenton Lodge No. 179, was excused from attendance after to-day, on account of sickness in his family—also, Bro. HAMILTON, from Travellers Rest Lodge No. 65, on account of sickness in his family—and Bro. JOINER, from Fort Early Lodge No. 226, had leave of absence after to-day on account of indisposition.

Bro. HIRAM COX, from the Committee on Recorded Journals, made the following report, which was agreed to :

Your Committee beg leave to report, that they have examined the Recorded Journals and take pleasure in stating that they find them plainly, neatly and legibly kept, evincing ability and great faithfulness of the Grand Secretary.

Respectfully submitted,

HIRAM COX, Chairman.

The M. W. Grand Master appointed as the Auditing Committee

Brothers T. A. Word,
Milton Reviere,

A. J. Williams and
J. T. Lawrence.

Bro. T. M. CLOWER, from the Committee on Credentials, submitted the following report, which was agreed to :

R. W. Deputy Grand Master BUTLER, from the Committee on General Welfare, made the following report, which was agreed to:

The Committee on General Welfare

REPORT:

We have carefully considered the resolution of the last Grand Lodge, with reference "to the relief of the widows and orphans of our Brethren who may be killed, or die of disease, in the service," &c., &c.

The subject is a great one; the motive, a noble desire to bless the deserving and suffering,—and if the means in hand were sufficient, the object might be accomplished. The Committee have no means from which to approximate the numbers of "widows and orphans of our Brethren killed—or dead of disease—in the service." There may be very many—and there will be more.—With them the whole fraternity do sympathize, and every Brother's hand must be open and extended with whatever he may be able to give. The time is come, when we *must* "do good, (especially) to those who are of *our* household of faith."

A plan then for general relief, seems to the Committee impossible—a suggestion of partial support so difficult of application, that we do not suggest any.

We consider that the present state of our funds come properly within the scope of our duties. It is necessary, we think, at this time to inquire into this subject, because the income from all sources is barely sufficient to defray current expenses.

Our Rail Road Stock is in a good condition, and regularly pays dividends,—but not so with several Loans and investments.

secured by mortgage. These have not paid interest, and one, for more than two years. The particulars of these cases may be known by a statement from the R. W. G. Treasurer.

The Committee suggest, that in consideration of these facts—that these investments be collected, or realized, in such a manner as will secure the Treasury against loss,—and when in the hands of the R. W. G. Treasurer, he is hereby instructed to invest them and any, or all other unappropriated, funds, in Confederate Bonds,—and that this be a standing order.

AHIMAN REZON.

Connected with the subject just referred to, is the publication and sale of this book. At the Communication of 5859 an Edict was made, empowering the M. W. G. M. “to publish editions of one thousand copies, and report cost, sales, and profits thereof,” &c., &c. By virtue of this authority, there was published in 5859 an edition of 800 copies, at an expense of \$1678.16 and a quarto edition of copies costing \$200,—and a second edition in 5860, costing \$500—added to which is the copy right, costing \$2,000. Of all these editions, there have been sold and reported to the W. G. Treasurer copies enough to bring the sum of \$291 20—from which is to be deducted expenses of freight, exchange, &c., amounting to \$26.13—leaving \$265.07 as the nett proceeds of these operations. One reason why this most excellent work has yielded so little profit, is found in two other Edicts made in the year 5859, bestowing a copy on every Subordinate Lodge, and each officer of the Grand Lodge. In this way, over 250 copies were disposed of.

These facts are necessary to a proper understanding of the interest of the Grand Lodge in this enterprise. We are informed by the M. W. G. Master, that the stereotype plates, paper, &c., of the work is now in the city of New York, and may have been seized or confiscated by the public enemy. What may be the final result of the interest of the Grand Lodge in them, cannot be known until the war is over.

There is yet unsold, in the hands of the W. G. Treasurer and agents appointed by him for the sale thereof, about 350 copies. It is recommended that these copies be collected by the Grand Treasurer, and that he report to the next Communication all the sales, proceeds thereof, and number unsold.

D. E. BUTLER,
GEO. L. BARRY,
C. F. LEWIS,
Committee.

Committee on Relief. Your Committee beg leave to make the following report:

The only business before it is a request from Americus Lodge No. 13, through its Delegate, that its dues to the Grand Lodge,

for the present year, be refunded, for the following reason, to wit:

Said Lodge is laboring under financial embarrassment, incurred by the building of Furlow Female College, thereby expending a large amount in fitting it out. Also, in building a commodious Lodge Hall, &c. Your Committee recommend to you a favorable consideration of the foregoing.

All of which is respectfully submitted,

J. G. STOKES,

The Grand Lodge was then called from labor to refreshment, and the business of the Grand Communication was adjourned until 8 o'clock to-morrow morning.

Resolved, That the memorial from Benevolent Lodge No. 3, be referred to a special committee, to consist of R. W. Dep. Grand Masters Butler and John Harris and Bro. E. G. Cabaniss, with instructions to report on the matter therein referred to, at the next Annual Communication of this Grand Lodge, and also to settle the claims of this Grand Lodge against the Trustees of the Masonic Hall in the city of Milledgeville.

On motion of R. W. Dep. G. M. LOVE,

Resolved, That the second section of Article 7th of the Grand Constitution be amended by striking out the words "United

States," and inserting the words "Confederate States of America."

The Committee on Credentials made the following supplemental report, which was agreed to :

The Committee on Credentials beg leave to make the following supplemental report :

Bro. Benjamin F. Brooks, appointed Proxy by L. C. Scales, W. M. of George L. Barry Lodge No. 192, has no credentials, for the reason that the W. M. was to have sent the returns of the Lodge and his credentials to him at this place, but from some cause they have failed to reach him. The Lodge was not represented in 5861, but sent up returns without paying the dues. On account of the disappointment above stated, he has not the returns for the present year. He has the funds to pay for 5861 and also for the present year. Under the circumstances we recommend that he be received as a Delegate.

T. M. CLOWER,
W. CARTER,
R. M. PUCKETT,
GEO. S. ROBINSON,
J. M. MERCER,

Committee.

The Committee on Grievances made the following report, which was agreed to :

The Committee on Grievances beg leave to submit the following report :

After a careful inspection of the papers submitted in the case of T. B. Scott vs. Henry R. McCoy, (members of Oglethorpe Lodge No. 47,) your Committee recommend that said Lodge reconsider its action and grant to said McCoy a farther hearing. From evidence before your Committee, it seems that McCoy did not attend the Communication of the Lodge at which the cause was tried because of domestic affliction, and as there is no Masonic obligation requiring a member to neglect his family, but on the contrary urging it as a duty by no means to be disregarded, we think he is entitled to a hearing.

We recommend that the action of the Lodges in the following cases—there being no appeal therefrom—be affirmed, and that the excluded members be declared expelled :

Cohutta Lodge No. 145, in the exclusion of James L. Randal;
Alpharetta Lodge No. 235, in the exclusion of G. H. Allen;
Kivlin Lodge No. 146, in the exclusion of H. N. Harris;
Lithonia Lodge No. 84, in the exclusion of Luke J. Robinson;
Americus Lodge No. 13, in the exclusion of Jno. P. Brannon;

Washington Lodge No. 19, in the exclusion of Samuel W. Brooks.

In the case of Greenville Lodge, No. 57, vs. Wm. B. Freeman, your Committee recommend, that in consequence of informality in the Communication, the cause be remanded without farther action.

In the case of Travellers Rest Lodge No. 65, recommending the expulsion of sundry members for non-payment of dues, we recommend that milder measures be adopted, and that they insist upon the enforcement of their By-Laws.

Respectfully submitted,

G. W. ARNOLD,
WM. CARTER,
J. H. DUNHAM,

Committee.

Bro. FAIR presented a petition from Benevolent Lodge No. 3, asking for the restoration of Willis Vaughan, an expelled Mason, to the rights and privileges of Masonry, which was referred to the Committee on Relief.

Bro. FREDERICK, from the Committee on Relief, made the following report, which was agreed to :

The Committee would recommend the granting of the petition of Benevolent Lodge No. 3, located at Milledgeville, Ga., asking the restoration of Willis Vaughan, an expelled Mason from the Lodge, to all the rights and privileges of Masonry.

S. ROSE, *Grand Secretary.*

For the above amount he presents the receipt of the Grand Treasurer.

Since the account current of the Grand Treasurer was made out, Meridian Sun Lodge, at Griffin, has paid in full the principal and interest due the Grand Lodge.

The Grand Treasurer reports that the annual interest on the loans to Benevolent Lodge, Milledgeville; Kennesaw Lodge, Marietta; and on the note of Samuel Lawrence has not been paid. These debts are, therefore, increasing in amount yearly—and if suffered to accumulate, may soon reach an amount beyond the ability of the parties to pay. To guard the Grand Lodge against loss, we recommend that these debts be placed in a train for collection as speedily as possible.

The Committee again recommend that the funds on hand after defraying the expenses of the Grand Lodge, be invested in 8 per cent. Confederate Bonds.

All of which is respectfully submitted.

The Committee on that portion of the Address of the M. W. Grand Master relating to the decease of P. G. M. PHILIP T. SCHLEY, made the following report, which was agreed to:

To the Most Worshipful Grand Lodge of Georgia:

The Committee to whom was referred so much of the M. W. Grand Master's Address as relates to the death of Past Grand Master PHILIP T. SCHLEY,

REPORT:

"For dust thou art, and unto dust shalt thou return."

Such was the first awful denunciation that broke the gloomy silence of a desolated Paradise, uttered by an offended Creator against guilty man, proclaiming the universal sovereignty of death over all created beings. Succeeding ages have bowed in mournful submission to the irrevocable decree, compelled in sorrowful tones to confess that

"The dead are everywhere.
All the wide earth—the fertile and the fair—
Is one vast burial ground."

Yet, with all the startling evidence by which we are surrounded of the undisputed dominion of the fell monster, we take no notice of his fearful ravages until some one bound to us by the ties of affection falls beneath his ruthless stroke, and we are made to feel the truth of the declaration, "Man dieth and wasteth away; yea, he giveth up the ghost, and where is he?"

These sad reflections have been forced upon us by the official announcement of the death of our esteemed P. G. Master, Philip T. Schley, who for years shed the bright lustre of true Masonic light over the entire brotherhood, guiding by the superior wisdom of his counsels to a knowledge of the sublime truths of our venerable order, and by an unfaltering devotion to its teachings—an unwavering obedience to all its requirements—proving its adaptation to man's moral and social condition, and eminently worthy the admiration of the wise and virtuous. The Masonic life of our departed brother commenced in the year 1824. For a period of nearly forty years he was an acknowledged skillful master workman, actively and zealously engaged in the work of our symbolic temple.

In the days of peril and storm, when it was ruthlessly assailed by the combined efforts of blind zealots, infuriated fanatics and corrupt demagogues, with bold and fearless step he trod the path of duty, undisturbed by the insane howlings and rancorous denunciations that sought the overthrow of truth and fidelity.

In 1827 he was elected to office in the Grand Lodge of Georgia, and afterward was for seven years Grand Master of Masons in the State. This is conclusive evidence of the esteem in which he was held, and of the confidence reposed in him by his brethren.

After his retirement from office, he was a regular attendant at the Communications of the Grand Lodge, until his death, exhibiting in his advanced age the ardent devotion of his youth to the principles and interests of the institution, watching with careful solicitude against innovation, and by his superior knowledge and experience directing measures for the perpetuation of our ancient system of symbolic instruction. He was born on the 24th of August, 1798, and died on the 31st of August, 1862, having nearly reached the termination of the allotted span of human existence.

He was "of like passions as ourselves," subject to the weaknesses and infirmities of our common nature—possessing ardent and estimable traits of character. His many and signal virtues cast a halo of light over his faults, whatever they may have been, tinting them with a mellow and redeeming brightness. His fidelity to his friendships was proverbial with all who knew him.—His integrity was unstained; his honor spotless. In the midst of his usefulness he has been removed, and while we bow submissive to the fell stroke, let us console ourselves with the hope that his dying hour was cheered and sustained "by the ever

green and ever-living spring of faith in the Lion of the tribe of Judah—directing him with confidence and composure to look forward to a blessed immortality." Thus are the links which bind our brotherhood of the present to the illustrious ones of the glorious past, being riven asunder by relentless death.

"Another, and another—

They are going, one by one,
As the golden bowl is broken,
And life's silver chord be spun."

But few remain to tell of the trials and triumphs of other days, and to impart lessons of wisdom and instruction from the experience of the past. May those of us who have been called to the stations made vacant by their removal properly appreciate the importance of the trust bequeathed us, and continually feel the responsibility resting upon us. Like them, may we "be true and trusty," faithful to our vows and diligent in the discharge of every duty—"uniting the regenerated man in his unfeigned piety to God"—so that when our change shall come, we may be translated to glorious and celestial Lodge above.

We offer the following resolutions :

1st. *Resolved*, That the Grand Lodge of Georgia deeply deplores the loss it has sustained in the death of Past G. Master PHILIP T. SCHLEY, who had long been respected as its pillar of strength—who, by his knowledge and experience, directed its measures for the promotion of its interests and the advancement of the prosperity of the fraternity, and will ever hold in grateful remembrance his virtuous and upright conduct as a man and a Mason.

2d. *Resolved*, That a page of the minutes of the Grand Lodge be appropriately inscribed with his name and the dates of his birth and death, and the record of his official connection with the Grand Lodge of Georgia.

GEORGE L. BARRY,
DAVID E. BUTLER,
WILLIAM COX.

Committee.

Bro. LOVE offered the following resolution, which was adopted :

Resolved, That the Subordinate Lodges working under this jurisdiction be instructed to report at the next annual Communication the names and rank of such of their members as have been or may hereafter be in the army of the Confederacy, and that they designate by proper marks those killed, those wounded, and those who die in the service, and that the Secretary prepare and forward suitable blanks for the purpose.

On motion of Bro. LOVE,

Resolved, That the Delegates from Lodges to which Charters have been granted at the Communication of the Grand Lodge, receive return mileage and pay from the time of granting their Charters.

On motion of Bro. BUTLER,

Resolved, That the local Board of Trustees for the Southern Masonic Female College be, and they are hereby instructed, in case the General Board shall fail to meet, to make a suitable report of the affairs of said College to the next Communication of the Grand Lodge.

Resolved, That the present Board of Trustees of the S. M. F. College be, and they are hereby, re-elected for the next succeeding three years, except as changed by elections in the offices of the Grand Lodge.

The Grand Lodge was then closed in Ample Form, and the Grand Communication adjourned until the next Annual Communication.

NOTE.

BY THE GRAND SECRETARY.

It may be hardly necessary to remark, that the circumstances under which this Grand Communication assembled, gave but little promise of a full attendance, or even of a moderate one. The defence of the country has absorbed a very large number of the officers and members of our Lodges, which in many instances has left them without the proper officer for a Delegate to this body. The representation, however, has been more general than could have been anticipated, and the amount of Dues paid considerably larger than that of the preceding year.

At the commencement of the present Communication there were 245 Chartered Lodges, and one has been Chartered at this Session, which was working under Dispensation.

The number of Lodges represented by their Delegates, or by Returns and the payment of Dues, was 156. Since that time, and up to the date of printing the Minutes, twenty-one more Lodges have made Returns, and paid their Dues, as follows:

No. 9, Mount Hope,	\$88 00	No. 108, Chappell,	\$34 90
22, Mt. Vernon,	109 00	115, Troup Factory,	22 00
36, Unity,	101 15	127, Ancient York,	49 00
40, Ebenezer,	24 90	132, Long Cane,	39 50
43, West Point,	56 95	138, Howard,	39 42
44, Lafayette,	59 55	141, Charity,	60 00
48, Jackson,	28 68	189, Hermon,	76 00
61, Chatahoochee,	60 65	197, Wells,	29 74
68, Dawson,	38 50	236, Lutherville,	46 50
99, Siloam,	26 35	244, Swainsboro',	95 20
104, Montpelier,	41 26		

I regret to say, that the Return of Swainsboro' Lodge, No. 244, has been mislaid, and has to be omitted. That Lodge has been very flourishing during the past year, and had an accession of about sixty members, mostly by Initiation.

The entire amount of Dues received by the Grand Lodge, according to the Reports of the Committees, during the Session, was \$7,561 56.

Orient Lodge, located at Waynesville, working under Dispensation, was granted a Charter.

The following MILITARY LODGES, have received Warrants, or Charters, up to this time :

- No. 1—Military Lodge, 2d Reg't—W. W. Boyd, W. M.
 2—Butler Military Lodge, 3d Reg't—Erwin Godfrey, W. M.
 3—Patriot Lodge, 4th Reg't—Wm. T. Toole, W. M.
 4—Rockwell Lodge, 29th Reg't—Rich'd Williams, W. M.
 5—Military Lodge, 45th Georgia—R. W. Bonner, W. M.
 6—Fifty-fifth Georgia—Milton P. Tucker, W. M.
 7—Tenth Georgia Battalion—Jas. E. Rylander, W. M.
 8—Ninth Artillery Battalion———, W. M.
 9—20th Battalion Lodge—G. H. Whitaker, W. M.

I would again urge upon all Masters and Secretaries of Lodges to attach the SEAL of the Lodge to all communications of an official character, to the Grand Lodge or its Secretary, or they will not be entitled to notice, or the action of the Grand Lodge, or its committees. For this reason, Suspensions, Expulsions, &c. have often not been acted on.

In making Returns, arrange the names of the officers and members of the Lodge as follows :

First, the officers—then Past Grand Masters, or Deputy Grand Masters, if any.

Past Masters, members of the Lodge.

Ministers of the Gospel.

Master Masons.

Fellow Crafts.

Entered Apprentices.

Suspended members.

Exclusions.

Rejected applicants for Initiation, at the foot of the column, *without numbering them.*

In the Return to the Grand Lodge, *give the dates* of all Initiations, Passings, Raisings, Suspensions, Exclusions, &c., in the proper column opposite the name.

In relation to making the next Annual Return, I would refer the several Secretaries to a resolution of Wor. Bro. G. L. BARRY, on p. 23 of these Minutes, by which it will be seen that Lodges are "excused from paying dues to the Grand Lodge for all members in the service of the Confederate States. Enter the name in the Return as usual, and opposite to it, in the column for "remarks", the word "Soldier." Also to a resolution by R. W. Bro. W. A. LOVE, to make a Return of all members who have been, or may be in the Confederate Army, with their rank, or who have been killed, died or wounded in the service.

Blanks for this purpose will be forwarded to the several Lodges.

All Lodges needing blanks for Returns, will forward their orders for them in due time.

S. ROSE, *Grand Secretary.*
